

- Contains a biographical essay placing Coleridge's work within the context of his life and time, as well as Gustav Dore's illustrations for *The Rime of the Ancient Mariner*. Samuel Taylor Coleridge (1772-1834) is one of the greatest of all English-language poets, and one of the central figures of the Romantic movement. He achieved fame in 1798 when he published the *Lyrical Ballads* with his close friend and collaborator William Wordsworth. Over the next decades, these two brilliant poets inaugurated the Romantic movement and changed the face of English literature. Coleridge's best-known poems include *The Rime of the Ancient Mariner*, *Christabel* and *Kubla Khan* – all now recognised as among the greatest masterpieces of modern poetry. Lexicos Books is proud to present, for the first time in ebook format, the definitive Oxford Edition of his complete poetical works, edited by Ernest Hartley Coleridge and published in two volumes by Oxford University Press. It has been meticulously edited and formatted for Kindle. It includes an active table of contents and is fully searchable. It also includes an illustrated version of *The Rime of the Ancient Mariner*, featuring the gorgeous drawings of Gustav Dore.
