

The Oxford Learners Dictionary of English Idioms presents the most useful idioms in English and explains them in clear, simple language the intermediate student can understand. Improved design and cross-referencing makes it even easier for students to find what they are looking for. Useful guidance is also given to help with the correct pronunciation * examples of use to help the learner use idioms with confidence * the derivation of many of the more colourful idioms is explained to increase understanding * study pages show how idioms are used in arguments * discussions and other typical communicative contexts
