

Excerpt from Emin Pasha, His Life and Work: With an Account of Stanley's Relief March
No apology is necessary in presenting to the public a work, however brief, on Emin Pasha. Although he has borne a prominent and glorious part in the affairs of a Continent for a period of ten years, far too little is known concerning him. Interest in this wonderful man increases daily now, and it is from a desire to meet it in a small degree, and because of admiration and love of his character on the part of the writer, that this sketch of Emin's career is produced.
