

Gaines has a deft understanding of the Washington-Lafayette relationship ... [and] a knack for wielding substantial research with aplomb.” San Francisco Chronicle This book tells the story of the French and American Revolutions in a single, thrilling narrative that shows just how deeply intertwined they actually were. Their leaders were often seen as father and son, but the relationship of George Washington and the Marquis de Lafayette, while close, was every bit as complex as the long, fraught history of the French-American alliance, of which they were also the founding fathers.
