He could feel the vibrations her body was creating and as her breathing increased and her moans became louder he wondered if she was close to orgasm. **Ravenous:** Logan mumbled something as he moved his mouth down her neck onto her stiffening bud. He sucked her nipple into his fiery, hot mouth and used his teeth to gently bite it. Sadie threw her head back and ravenously groaned. **Insatiable:** She slid from his cock and it plopped wetly onto his abdomen. Callie dropped to her knees and sank onto his rod sucking his cock quick and hard before he could move to rise. **Carnal Intentions:** They dropped the last of their clothing and stood naked, gazing at each other with sexual hunger heavy in the air. Brendan caressed her lightly tanned skin, and her hand trailed down his chest reaching for his erection. **Deployed:** Aaron moved his right hand down and ran his fingers through her auburn hair, then gently guided her head up and down as she sucked him. He could feel the vibrations as Julia began moaning. **Morning Quickie:** Her hair tickled my nose and I kissed her neck, causing her to moan softly. She moved, I thrust my hardness forward her causing her to moan again. **Naughty Nooner:** I cannot resist any longer and so I turn her around and reach down between our bodies spreading her cheeks pushing her forward against the wall. She supports herself with her hands as her round, inviting ass sways before me. **Afternoon Delight:** She cried out openly and I slowed to watch her. As her spasms subsided, I quickened my strokes and moved forward. She sat up looking me in the eye. **Night Moves:** My cock throbs with impatience because I recall how good it feels to wedge it between her cheeks from behind and hold her while we dance naked together.
