

A lavishly illustrated revised edition of the 1970s cult book, updated by the author and with a bold new design and contemporary images. Before Franklin Foer, Bill Bryson, and Simon Kuper wrote about soccer, best-selling author and highly respected academic Desmond Morris became a director of a soccer club in order to properly analyze the world's most popular sport. In this revelatory book, Morris shares his experiences, guiding the reader through the marked tribal components of soccer, from the life of a team, the players, and their supporters to its symbols, rites, and rules. The Soccer Tribe is a tribute to the game, seen from the perspective of a lifelong fan and specialist. The book is divided into forty-four short chapters, each examining a vital aspect of the life of the Soccer Tribesmen. Included are Rituals (the taboos and punishments, goals and strategies); Heroes (their skills and superstitions, triumphs and defeats); Trappings (balls, costumes, banners and badges, trophies and medals); Elders (directors and referees, managers and trainers); Followers (old and young, celebrities and fans); and the Tribal Tongue (chants and slogans, cheers and curses). From Liverpool to Lyon, Bayern to Barcelona, and Manchester to Milan, Morris passionately dissects and examines every detail, all the way to the jerseys and stadium songs.

Real Estate Transactions and Foreclosure Control-A Home Mortgage Reference Handbook: The Causes and Remedies of Foreclosure Pains, How To Kill Vampires: Because They Are Unnatural Jerks, Property Investment Depreciation and Obsolescence, Reboot Your Marriage: 7 Ways To Dump The Junk, WHO Guidelines for the Management of Postpartum Haemorrhage and Retained Placenta (Nonserial Publications), Fundamentals of Creative Design, Sir Walter Scott as a Critic of Literature, Useful Wild Plants of the United States and Canada, My Heavenly Hockey Club 3, Cave and Cosmos: Shamanic Encounters with Another Reality,
