

A stinging account of how public policy and private businesses have failed to adapt to working mothers.--Jennifer Ludden, NPR Why life is harder on American families than it's been in decadesâ€”the book that takes the blame away from moms and puts it where it really belongs Pressed for time and money, unable to find decent affordable daycare, wracked with guilt at falling short of the mythic supermom ideal-working and non-working American mothers alike have it harder today than they have in decades, and they are worse off than many of their peers around the world. Why? Because they're raising their kids in a family-unfriendly nation that virtually sets them up to fail. The War on Moms exposes the stress put on families by an outdated system still built around the idea that women can afford not to work. It tells the truth that overworked, stressed-out American moms need to hearâ€”that they're not alone, and they're not to blame. Exposes a lack of reasonable and flexible work opportunities as the real cause of the supposed rift between employed and stay-at-home mothers Explodes the myths about supermoms, slacker dads, opt-out moms, bootstrap moms, daycare options, and make-money-from-home scams Uncovers the widespread, brutal reality of having no paid maternity leave Offers portraits of real womenâ€”across social classes and across the countryâ€”who are struggling with issues that will strike a familiar chord with most Americans Explains why American women have it hard and why it's not going to get any easier until the country dramatically changes course The War on Moms turns the mommy wars debate on its head by arguing that a mother's real enemy is not other women, but a nationwide indifference to the cultural and economic realities facing parents and families in the United States today.

Robust Political Economy: Classical Liberalism and the Future of Public Policy (New Thinking in Political Economy Series), The Republic of Costa Rica (Classic Reprint), Goals: How to Set Goals - The Habits of Successful People (goal setting success, goal achievement, goal setting book), LOrlando Innamorato; Volume 1 (Italian Edition), A voyage towards the South Pole, and round the world. Performed in His Majesty's ships the Resolution and Adventure, in the years 1772, 1773, 1774, ... two volumes The third edition. Volume 2 of 2,

Editorial Reviews. Review. How employers make child-rearing an emotional and financial burden for women. The joy of having a baby quickly morphed into.

This is not an individual tragedy, writes Sharon Lerner in *The War on Moms: On Life in a Family-Unfriendly Nation*, but a national fiasco.

The War on Moms has 68 ratings and 19 reviews. Lauren said: The War on Moms claims to be different from other looks at women in the workplace - specific.
