

Lynn Hana Alexander is a 25-year-old Japanese American shape-shifter haunted by guilt. She's been questioning herself and her dragon abilities ever since she failed to save her grandmother. When her best friend is threatened by mysterious fires burning up acres of West Texas, Lynn rushes to the rescue determined not to fail again. However, with a tempting firefighter, a flirty city developer and dragon pheromones distracting her, how is she going to find the arsonist? And worse: is her primary suspect a malicious rogue dragon or the love of her life? *** Authors Note: Wildfire is a paranormal mystery with romantic elements. It is not a traditional romance. I hope y'all enjoy the read!***
